

PROMPT Course Feedback

Course Feedback (What our learners say)

- Highlighting the importance of A – E approach to assessment in an emergency setting.
- Showed good examples of clear leadership and where improvements could be made.
- Open communication
- Fear, always daunting but felt it went well. More confident as scenarios continued.
- I really enjoyed the simulation as it helped to feel in a real situation.
- Nice to have MDT training.
- Good interaction from the team.
- Discussions after scenarios
- High fidelity simulation
- Effective skills drills / PROMPT training.
- Smaller groups made the session less anxious.
